Premium Unit Shown

Features

Makes spraying faster and easier!

Standard Sprayer Features:

- ProConnect pump removal system - no-tools removal makes Endurance pump swap out fast and easy.
- SmartControl Pressure Control - advanced microprocessor control delivers a consistent spray fan at all spraying pressures.
- MaxPower Brushless DC Motor - delivers higher horsepower per wall amp.
- Chrome Plated Welded Steel Hi-Boy Cart with TiltBack cart design - withstands rugged environments.
- Easy Out Pump Filter - reduces tip clogs and ensures quality finish.

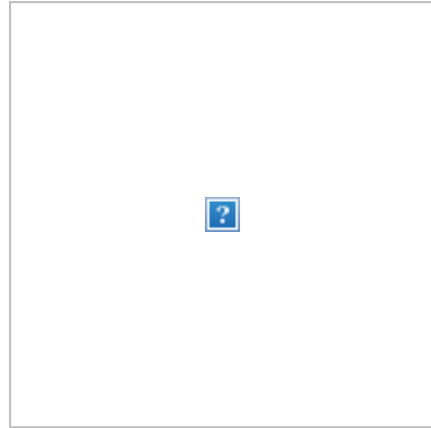

ProConnect no-tools pump removal

Premium Sprayers Include Standard Features Plus:

- QuikReel - reel or unreel up to 300 feet of hose in seconds. [Must See Video!](#)
- FastFlush cleaning system uses increased flow rate to dramatically reduce cleaning time. Cleans up to 4 times faster - with 1/2 the water! [Watch it in action!](#)
- WatchDog pump protection system extends pump life by automatically shutting the sprayer down when the bucket is empty.
- SmartControl 2.0 Digital Display - with pressure readout, gallon counter, and diagnostics.
- On-Board Toolbox - convenient storage container for tools, tips, filters and accessories.
